LIST BETHEL TAXPAYERS IN CITIZEN THIS WEEK

Of interest to many will be the list of Bethel taxpayers in this issue. This listing includes no explanation of various exemptions which include charitable organizations, churches, veterans' property and polls, and polls of citizens over 70 years of age.

Exempt veterans' property in town is valued at \$105,064 and 106 poll taxes are also not charged.

Apparently in 1962 property passing to church ownership this year valued at \$22,000 will not be taxable.

CHRISTMAS STREET LIGHTING

For several years recently, the Lions Club has sponsored colored lights on Main Street during the Christmas season. This year the Club is not active, and is not able financially to sponsor the lighting. The wire and other parts are available except for repair and replacement light bulbs.

Certain Central Maine Power Co. requirements must be met, with regard to the installation of the lights. These requirements are for purposes of convenience in turning lights on and off, and for the safety of all. CMPCo. now requires that the lights be turned off during daylight hours. In order to do this additional wire and some fuses and fuse-holders have to be purchased.

The Town appropriated \$75 for Christmas lighting. This, however, covers only part of the expense. The total expense this year will be of the order of \$175 to \$200—cost of electricity may amount to \$50 to \$75; and labor and wiring (pole climbing this year by CMPCo. men) about \$75; and material up to about \$50.

A new sponsor and up to \$125 in addition to the town appropriation would be needed for Christmas lighting this season.

Mrs. Minnie Richardson has returned home after several days with her daughter, Mrs. Carl Hall, in Portsmouth, N. H.

There will be an installation of officers at the Masonic Lodge meeting tonight (Thursday). Haynes Noyes will be the installing officer.

Mrs. Alton Carroll and Mrs. Gerry Morgan attended the first Huxson College Homecoming Day at Bangor Saturday, where David Bangor was enrolled as a freshman.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

The Railroad and Telephone tax is refunded to the towns in December of each year. This year the amount received and credited to the miscellaneous account is \$728.85, which is \$1,190.50 less than received a year ago. A letter of inquiry has been sent to the Treasurer of the State for information as to the reason for the drop in revenue.

Revenue to the miscellaneous account has now depreciated considerably, taking into consideration that there was a decrease in the Bank Stock tax of \$562 beginning in 1959.

The total loss of revenue to the town from the state from these two taxes now amounts to \$1,750 annually.

Revenue from the sale of dog licenses goes to the state. After claims have been paid out of this revenue for damage done by dogs and wild animals to poultry and domestic animals, if there are any funds left they are apportioned among the towns on the basis of dog license revenue received. A refund from state of \$106.97 was received recently, the largest for many years.

It is good to note that all dogs listed by the Assessors last April are licensed for 1961.

Work has started on compiling material for the annual town report.

Sincerely,
Harold L. Bean

CHAMBER OF COMMERCE ELECTS OFFICERS

The December meeting of the Bethel Chamber of Commerce was held December 5, at the Red Rooster Motel Restaurant with 35 members and seven guests present.

The following slate of officers was elected for 1962: Wallace Saunders, president; Clifford Laws, vice president; and Sumner Burgess, secretary and treasurer. The meeting adjourned to the Community Room where the Chamber heard Tom Palmatier of the Andover Space Project give a highly interesting and informative talk on this project.

Dr. E. L. Brown is expected home the last of the week from the CMG Hospital where he has been a patient for observation the past two weeks.

The Bethel PTA will meet Tuesday evening December 19 at Crescent Park School at 8:00 P. M. After the business meeting, Mrs. Janet Richardson will lead a discussion on the social aspects of the Crescent Park School students, whether we are pushing them into social life too soon or not. The meeting should be very interesting so let's all try to attend.

FLUORIDE PROJECT FOR BETHEL-NEWRY SCHOOLS START PLANNED JAN. 3

Mrs. Samuel Timberlake, general chairman for the sodium fluoride application project, has announced that the tentative project starting date has been set as Jan. 3, 1962. The project to be conducted in Bethel will include all children enrolled in grades 2, 5, and 8 in the Bethel schools, and in the Newry schools.

The project for the Newry schools is being sponsored by the Newry school committee under chairmanship of Mrs. Barbara Auger. The Bethel portion is jointly backed by the Dental Health Committee of the Bethel Health and Service Council, Inc. and the Parent-Teacher Association.

This week, forms for obtaining parental permission for each of the eligible children to receive treatment were distributed in the Bethel and Newry schools. There must be returned promptly, since the enrollment for the school children closes Dec. 15. This deadline has been imposed in order to establish the definite number of days the contract with the state's Division of Dental Health is to cover, to plan a volunteer workers' schedule, and to know how many preschool children may be enrolled in the time which can be allotted to Bethel.

Women from the towns of Bethel, Newry, Albany, and Gilead who can work as clerks during the project, are invited to call Mrs. Howard Cole, VA 4-2242, if they are school parents, or PTA members; or to call either Mrs. Norman Dock, VA 4-2778, or Mrs. Dexter Stowell, VA 4-2676, if they are non-PTA members.

Announcements regarding pre-school enrollment will follow completion of the school enrollment.

H. D. A. — ON THE MOVE IN 1961

Mrs. Ruth C. DeCoteau, Home Demonstration Agent of Oxford County, reports that a Home Demonstration Agent's work includes many different activities which help keep her on the move. "At the end of the year when I write my annual report," says Mrs. DeCoteau, "it always surprises me to realize the amount of activity that is included in the year's work." Here are some figures that may interest you.

A total number of 127 meetings was held by your HDA with an attendance of 2,856 people. One hundred sixty-three people called on her at the Extension office. She wrote 224 individual letters, and 103 circular letters which were sent to 9,107 people. Three thousand eight hundred twenty-eight publications were distributed; 140 news articles written, and 281 radio talks given. The mileage traveled while engaged in this business added up to 8,265 miles.

4-H NEWS

Lucky Clover 4-H: Our president, Judith DesRoches, called the meeting to order. There will be a dance Friday night, the 22nd. It will be at the East Bethel Grange Hall. Refreshments were served by Sue Howe and Beverly Kimball. At our next meeting refreshments will be served by Lorraine Olson and Donna Curtis, which will be Dec. 16, 1961, at 1:30. We drew names for Christmas presents. We decided we should have milk and no candles for refreshments. After our business meeting we made a table centerpiece. — Club Reporter, Carol Olson.

These tests were done as part of a state sponsored program attempting to determine the physical fitness of public school children.

Initial returns in the Adult Education Poll in Bethel and Greenwood indicate interest in establishment of a program of adult education. To date 100 forms have been returned with 75% showing interest and indicating one or more subjects they would like to take. Subject popularity according to returned forms ranks as follows: Commercial subjects; English; and History.

Approximately one of seven forms distributed through the schools has been returned. Results of the poll in Newry and West Paris are incomplete at this time. When final results are available, they will be announced.
